

## BOSCO's Intervention in Training for Employment

2858 Trainees have been trained in different skill training centres; Delhi, Lucknow, Ranchi, Kauli, Kuarmunda and Jashpur. The different trainings imparted were in the field of COPA, Draughtsman, Fitter, Turner, Machinist, Welder, Printing, Medical Transcription and 25 other skill training programmes and O level.

These trainings have enabled many vulnerable youths to equip themselves with a livelihood and moreover, have motivated them to become better and more responsible citizens of the society. Thus, BOSCO today continues to impart such kind of trainings to more needy and marginalized people of the society in its quest to promote Justice, Equity and Harmony.
